

Webinar Series Loss Control & Risk Management

McGowanPRO and the CPAOnePro Accountants Professional Liability Program are pleased to offer the following Live Risk Management Webinar Series for all CPAOnePro clients. These exclusive webinars offer clients valuable risk management tools that are being presented by experts in the accounting industry. Each live Webinar gives the attendee 1 hour of free CPE credit. The series can also provide a premium credit towards the firm's professional liability coverage. Please ask your agent for more details and register today.
